INTRODUCTION

We regret the delay in the publication of the 1949 Roster of State and Local Officials of the State of Indiana; because of the change in the State Administration there has been many changes in the personnel and administrative heads of the various boards, commissions and institutions. We felt that a delay in publication was justified in order to accurately list the personnel in order that this publication would be useful to officials and others using it and justify the cost of publication.

We have checked the listings with all available reliable sources; however there is possibility of error in names and addresses, and we welcome advise of changes or corrections.

OTTO K. JENSEN,
State Examiner.
